Remember: You have a year from your medical prognosis to submit a claim, and it's so easy to do.

WHAT TO REMEMBER

- Cover is specific to the Policyholder only
- There is a 90-day waiting period after your first premium is paid
- This means that if you are insured for R100 000 and your 90-days has passed, and you up your cover to R350 000, you will remain covered for the R100 000 until 90-days has passed, and thereafter the full R350 000 is guaranteed*
- Payouts aren't fulfilled if you die within 30 days of diagnosis
- Payout amount is risk profile dependent
- Payout is payable on first diagnosis of cancer
