## 2. INTRODUCTION

This Promotion of Access to Information Act “PAIA” Manual is in respect of AIG Life South Africa. AIG Life South Africa is registered and incorporated in the Republic, registration number 2001/016602/06. AIG Life South Africa is licensed to conduct life insurance business by the Prudential Authority and regulated by the Financial Sector Conduct Authority and Prudential Authority (FSP number 15804).

PAIA was enacted on 3 February 2000 and gives effect to the constitutional rights of access to information held by another person and that is required for the exercise or protection of any rights. If a public body is the requester, the public body must be acting in the public interest. If a request is made in terms of PAIA, the body to whom the request is made is obliged to release the information, except where PAIA provides that the information may or must not be released. Requests in terms of PAIA must be made in accordance with the prescribed procedures, at the rates provided.

## 3. PURPOSE OF PAIA MANUAL

This PAIA Manual is intended to ensure that AIG Life South Africa complies with PAIA and to foster a culture of transparency and accountability within AIG Life South Africa by giving effect to the right to information that is required for the exercise or protection of any right and to actively promote a society in which the people of the Republic have effective access to information to enable them to exercise and protect their rights.

PAIA gives effect to the constitutional right of any person’s access to information held by private sector bodies (e.g. companies) or public bodies (i.e. government institutions) that is required for the exercise and/or protection of the requester’s rights.

This PAIA Manual is useful for the public to:

- Check the categories of records held by a body which are available without a person having to submit a formal PAIA request;
- Have a sufficient understanding of how to make a request for access to a record of the body, by providing a description of the subjects on which the body holds records and the categories of records held on each subject;
- Know the description of the records of the body which are available in accordance with any other legislation;
- Access all the relevant contact details of the IO and DIO who will assist the public with the records they intend to access;
- Know the description of the Guide on how to use PAIA, as updated by the Regulator and how to obtain access to it;
- Know if the body will process personal information, the purpose of processing of personal information and the description of the categories of data subjects and of the information or categories of information relating thereto;
- Know the description of the categories of data subjects and of the information or categories of information relating thereto;
- Know the recipients or categories of recipients to whom the personal information may be supplied;
- Know if the body has planned to transfer or process personal information outside the Republic and the recipients or categories of recipients to whom the personal information may be supplied; and
- Know whether the body has appropriate security measures to ensure the confidentiality, integrity and availability of the personal information which is to be processed.

## 5. GUIDE ON HOW TO USE PAIA AND HOW TO OBTAIN ACCESS TO THE GUIDE

- 5.1. The Regulator has, in terms of section 10(1) of PAIA, as amended, updated, and made available the revised Guide on how to use PAIA (“Guide”), in an easily comprehensible form and manner, as may reasonably be required by a person who wishes to exercise any right contemplated in PAIA and POPIA.
- 5.2. The Guide is available in each of the official languages and in braille.
- 5.3. The aforesaid Guide contains the description of:
  - 5.3.1. the objects of PAIA and POPIA;
  - 5.3.2. the postal and street address, phone, and fax number and, if available, electronic mail address of:
    - 5.3.2.1. the IO of every public body and private body, and
    - 5.3.2.2. every DIO of every public and private body designated in terms of section 17(1) of PAIA<sup>1</sup> and section 56 of POPIA<sup>2</sup>;
  - 5.3.3. the manner and form of a request for:
    - 5.3.3.1. access to a record of a public body contemplated in section 11<sup>3</sup>; and
    - 5.3.3.2. access to a record of a private body contemplated in section 50<sup>4</sup>;
  - 5.3.4. the assistance available from the IO of a public body in terms of PAIA and POPIA;
  - 5.3.5. the assistance available from the Regulator in terms of PAIA and POPIA;
  - 5.3.6. all remedies in law available regarding an act or failure to act in respect of a right or duty conferred or imposed by PAIA and POPIA, including the manner of lodging:
    - 5.3.6.1. an internal appeal;
    - 5.3.6.2. a complaint to the Regulator; and
    - 5.3.6.3. an application with a court against a decision by the IO of a public body, a decision on internal appeal or a decision by the Regulator or a decision of the head of a private body;
  - 5.3.7. the provisions of sections 14<sup>5</sup> and 51<sup>6</sup> requiring a public body and private body, respectively, to compile a manual, and how to obtain access to a manual;

<sup>1</sup> Section 17(1) of PAIA- For the purposes of PAIA, each public body must, subject to legislation governing the employment of personnel of the public body concerned, designate such number of persons as deputy information officers as are necessary to render the public body as accessible as reasonably possible for requesters of its records.

<sup>2</sup> Section 56(a) of POPIA- Each public and private body must make provision, in the manner prescribed in section 17 of the Promotion of Access to Information Act, with the necessary changes, for the designation of such a number of persons, if any, as deputy information officers as is necessary to perform the duties and responsibilities as set out in section 55(1) of POPIA.

<sup>3</sup> Section 11(1) of PAIA- A requester must be given access to a record of a public body if that requester complies with all the procedural requirements in PAIA relating to a request for access to that record; and access to that record is not refused in terms of any ground for refusal contemplated in Chapter 4 of this Part.

<sup>4</sup> Section 50(1) of PAIA- A requester must be given access to any record of a private body if-

- a) that record is required for the exercise or protection of any rights;
- b) that person complies with the procedural requirements in PAIA relating to a request for access to that record; and
- c) access to that record is not refused in terms of any ground for refusal contemplated in Chapter 4 of this Part.

<sup>5</sup> Section 14(1) of PAIA- The information officer of a public body must, in at least three official languages, make available a manual containing information listed in paragraph 5 above.

<sup>6</sup> Section 51(1) of PAIA- The head of a private body must make available a manual containing the description of the information listed in paragraph 4 above.

- 5.3.8. the provisions of sections 15<sup>7</sup> and 52<sup>8</sup> providing for the voluntary disclosure of categories of records by a public body and private body, respectively;
- 5.3.9. the notices issued in terms of sections 22<sup>9</sup> and 54<sup>10</sup> regarding fees to be paid in relation to requests for access; and
- 5.3.10. the regulations made in terms of section 92<sup>11</sup>.
- 5.4. Members of the public can inspect or make copies of the Guide from the offices of the public and private bodies, including the office of the Regulator, during normal working hours.
- 5.5. The Guide can also be obtained:
- 5.5.1. upon request to the IO;
- 5.5.2. from the website of the Regulator (<https://www.inforegulator.org.za>).
- 5.6. A copy of the Guide is also available in the following two official languages, for public inspection during normal office hours:
- English and Sesotho

---

<sup>7</sup> Section 15(1) of PAIA- The information officer of a public body, must make available in the prescribed manner a description of the categories of records of the public body that are automatically available without a person having to request access

<sup>8</sup> Section 52(1) of PAIA- The head of a private body may, on a voluntary basis, make available in the prescribed manner a description of the categories of records of the private body that are automatically available without a person having to request access

<sup>9</sup> Section 22(1) of PAIA- The information officer of a public body to whom a request for access is made, must by notice require the requester to pay the prescribed request fee (if any), before further processing the request.

<sup>10</sup> Section 54(1) of PAIA- The head of a private body to whom a request for access is made must by notice require the requester to pay the prescribed request fee (if any), before further processing the request.

<sup>11</sup> Section 92(1) of PAIA provides that –“The Minister may, by notice in the Gazette, make regulations regarding-

- (a) any matter which is required or permitted by this Act to be prescribed;
- (b) any matter relating to the fees contemplated in sections 22 and 54;
- (c) any notice required by this Act;
- (d) uniform criteria to be applied by the information officer of a public body when deciding which categories of records are to be made available in terms of section 15; and
- (e) any administrative or procedural matter necessary to give effect to the provisions of this Act.”

#### 9.4 Planned Transborder Flows of Personal Information

Due to the global nature of our business, for the purposes set out above AIG Life South Africa may transfer personal information to parties located in other countries (including the United States and other countries that have a different data protection regime than is found in the Republic). For example, we may transfer personal information in order to process international travel insurance claims and provide emergency medical assistance services when you are abroad. We may transfer information internationally to our group companies, service providers, business partners and governmental or public authorities. When making these transfers, AIG Life South Africa will take steps to ensure that personal information is adequately protected and transferred in accordance with the requirements of data protection law.

## 9.5 General description of Information Security Measures to be implemented by the responsible party to ensure the confidentiality, integrity, and availability of the information.

AIG Life South Africa maintains, operates, and regularly tests a comprehensive, documented information security program designed to protect the confidentiality, integrity, and availability of personal information. AIG Life South Africa's information security program complies with applicable privacy and security laws and includes appropriate technical, administrative, physical, organizational, and operational measures and controls to ensure a level of security appropriate to the information security risk. These security measures include encryption, limiting access to personal information, technical access controls such as password and multi-factor authentication protections and other controls to limit access to personal information such as the use of firewalls, the use of anti-virus software, recording access logs and maintaining written policies and procedures. AIG Life South Africa ensures that all personnel are trained as necessary in relation to our information security program.

AIG Life South Africa has implemented a comprehensive Information Security Program (Policy, Procedures and Controls) to ensure the safety and security of physical (hardcopy) records containing personal information. Security and safety controls are designed to maintain confidentiality, prevent loss, damage, or any compromise to information by unauthorized personnel, fire and or dampness to records stored in onsite storage facilities. These safety and security procedures include storing of records in secure record storage rooms with restricted access and general surveillance systems and access controls to prevent unauthorized access, and controls to prevent unauthorized destruction of records.

The following additional measures have been implemented for Record Storage Room:

- Physical Access Control Systems – access granted to authorized personnel
- Electronic Security Systems (Security Video and Alarms) – surveillance and intrusion detection
- Fireproof – Fire Prevention, walls, floors, and ceiling constructed with non-combustible materials
- Fire Safety Equipment – Fire alarm and sprinklers (detection and protection)
- Air conditioner -Temperature control, maintained at room temperature
- Storage Racks (raised from floor and installed away from walls) – prevention of dampness and mold
- No windows – prevention of damage from sun
